

4. That as of September 17, 2009, GWWS has not posted an adequate performance bond for the operation of the water system serving Anderson and Oconee Counties in South Carolina. GWWS has thus failed to comply with the requirements set forth in S.C. Code Ann. §58-5-720 (Supp. 2008) and 26 S.C. Code Regs. 103-712.3 (Supp. 2008).

5. That the Commission has jurisdiction over GWWS pursuant to S.C. Code Ann. §58-5-10 et seq. (Supp. 2008). Further, the Commission has the requirement before the granting of authority or consent to the operation, maintenance, acquisition, expanding or improving of any water utility regulated by it, that such utility file with the Commission a bond with sufficient surety payable to the Commission.

WHEREFORE, ORS prays that the Commission:

1. Order GWWS to file, in accordance with S.C. Code Ann. §58-5-720 (Supp. 2008), a bond in an amount as required under 26 S.C. Code Regs. 103-712.3.1 (Supp. 2008);
2. Order the Respondent to comply with Commission rules and regulations and maintain its books and records for water operations in accordance with the NARUC *Uniform System of Accounts* for water utilities as adopted by this Commission and as mandated by 26 S.C. Code Regs. 103-719 (Supp. 2008); and
3. For any additional action or relief which the Commission may deem necessary or proper.
